

Post 16 NEWSLETTER

SEPTEMBER 2025

We are learning

✦ What's Happening in Post 16 this Term? ✦

We've got a busy and exciting run-up to Christmas!

📖 In **Maths**, We're focusing on money skills, including recognising coins and notes, adding and subtracting amounts, and working with decimals.

✍ In **English**, we're working on speaking, listening, reading and writing through fun topics like mobile phones, decorating and social media.

💡 In **Knowledge for Life**, we'll be exploring healthy choices, mental health, and drugs and alcohol.

🌿 Each week we'll visit the allotment as students work towards a **Horticulture Qualification**. We'll also make use of the new cooking room and the Design & Technology space for Construction.

🎓 In **Preparation for Adulthood**, students will visit colleges and providers, including Sheaf College, Peaks College, Landmarks College and Fly Cheese, to start exploring future pathways.

It's set to be a busy, hands-on term full of learning and new experiences!

Reminders

🦋 **Allotment** bring wellington boots and waterproof jacket

🚌 **Bus Pass** bring everyday.

🍔 **Lunch out on Thursdays**

🦋 **PE** bring a change of T-shirt and deodorant.
