

CLASSROOM NEWSLETTER

SEPTEMBER 2025

Y7 – Magna

We are learning

This term our students will be working on:

We will do activities that help us find out about each other and learn how to talk with other people in class, thinking about how we can make our room a calm and happy place. This first half term is about settling and feeling like we belong here at Bents Green!

English: We will read a story about the Rainforest and how people affect it. We will be looking at how to read and understand text and build language that is specific to rainforest life

Maths: We will be looking at a range of sequencing skills to help our class become confident in recognising patterns in numbers. We will also learn about 2D and 3D shapes

Art: Our class will start to develop their drawing skills, finding ways to make different marks with pencils and learn to shade to create darkness and light

Computing – We will learn how networks work, and connecting computers

PRS – We will learn about religious signs and symbols in Christianity, Islam and Sikhism

Knowledge for Life – In this time we will work on self awareness and what it means to be me

PE – will focus on building confidence, positive approaches to PE and knowing our comfort zones

Reminders

A polite reminder for students to bring PE kit if it is not a sensory issue. Students can also come to school in PE kit on their day if they wish. PE kit includes; White T-shirt, Shorts/Jogging bottoms, Trainers, Deodorant and Water Bottle

Upcoming Events

There are no key dates, yet but we'll let you know if anything changes!
