Safeguarding and Child Protection

Safeguarding at Bents Green School includes all aspects of promoting safe, happy and healthy lifestyles for all of our students and their families. This is done through the provision of an appropriate personalised curriculum, safe, nurturing environment and the investment into building positive relationships. Some students and families need additional support to enable this and will need further personalised input from tutor teams and / or the safeguarding and Intervention team within school, in liaison with other professionals as needed.

We recognise that young people with special educational needs (SEN) and disabilities can face additional safeguarding challenges. Through training and regular safeguarding briefings staff are made aware that behaviour, mood and injury may relate to possible abuse and not just the young person's SEN or disability. Staff at Bents Green School have a thorough understanding and awareness that young people with SEN have a higher risk of peer group isolation and they work closely with parents/carers and other early help agencies to attempt to create appropriate social opportunities. Some students at Bents Green School have significant communication difficulties, strategies including visual resources are put in place to help pupils communicate their wishes, feelings and views.

Safeguarding procedures are in place to ensure that all concerns about students' welfare are effectively considered by the school's safeguarding team, and appropriate action taken to ensure students and their families are supported to the best of our ability, through effective collaborative working between home, school and other agencies.

Where a student is considered to be at significant risk of harm this becomes a **Child Protection** issue (still part of safeguarding). In the event of a Child Protection issue, our safeguarding procedures will be initiated (in line with safeguarding Sheffield children policies) and may involve other agencies, if appropriate to ensure our students are safe from harm.

Our Safeguarding policy includes awareness of and adherence to the Prevent Duty. The Designated Safeguarding Lead and Deputies have attended the compulsory WRAP training. All staff in school have been made aware of the [Prevent Duty](#) and receive training updates throughout the academic year.

Our Safeguarding policy incorporates training and advice relating to the following areas as found on the Safeguarding Sheffield Children's Board Website: Mental health, Domestic Abuse and Forced Marriages, Drug and alcohol misuse, child criminal and sexual exploitation, Sexualised behaviour, abuse and exploitation, Disability and health issues, Online Safeguarding, Community and peer issues, Parenting and carer issues.

Bents Green School adopts the Sheffield Safeguarding Children's Board Policies which can be found on the [school website](#) and on the ['Safeguarding Sheffield Children's' website](#).

Rationale and aims

Safeguarding in Education is Everybody's Business

The school policy aims:

- To establish a safe environment in which students can learn and develop.
- To establish clear parameters within which all adults working in the school are expected to operate, when dealing with safeguarding and child protection issues.
- To ensure that we practice safe recruitment by checking the suitability of prospective staff and volunteers to work with our students
- To support individuals in making sound judgements and taking appropriate actions, which are legal, consistent with the aims and values of the school and **in the best interests of each young person.**
- To raise awareness of child protection issues and provide support and protection to students, adult workers, and the school as an organisation.
- To ensure that young people are equipped with the skills and knowledge needed to keep themselves safe and healthy.
- To promote an ethos where students feel safe to talk, in which different viewpoints can be shared and extreme beliefs / behaviours sensitively challenged.
- To provide information to others about the school's responsibilities, policies, procedures and practice.
- To act as a point of reference for the continuing development of good professional practice.
- To work collaboratively with families and wider agencies to support the needs of all young people within the school

The policy applies to:

- **All adults** employed on contract at the school, whether permanent or temporary.
- **Other adults, who work at the school on a regular basis;** this includes professionals from other agencies (e.g. Educational Psychologists, Area Health, Speech Therapy ...) and volunteer workers.

The policy is to be considered alongside other, closely related school policies, which include:

- Behaviour Policy and Reward Strategy
- Policy Statement and Staff Guidelines on The Positive Handling Policy
- Online Safety policy and Acceptable User Policies
- Staff Code of Conduct
- Data Protection Policy
- Peer Abuse policy
- Whistleblowing policy
- Safeguarding response to students who go missing from Education

At Bents Green School we believe that:

- All young people have a right to freedom from abuse.
- Young people have a right to be treated with respect and dignity, as do the adults who work with them.
- The welfare of the young person is paramount.
- It is the responsibility of all adults to protect young people.
- All adults working within the school, either on a paid or on a voluntary basis, have a responsibility to protect students from harm, wherever they are in a position to do so.
- All young people must have the opportunity to express their views about decisions taken about their lives.
- All work with young people must be informed by equal opportunities and anti-oppressive practice and will reflect the diversity of need and the communities being served.
- All those working with, or on behalf of, our students must reflect and promote the value of working together with parents/carers, colleagues, other agencies and the young person, in order to create safe environments and protect them from harm.

We recognise that because of the day-to-day contact with young people, school staff are well placed to observe the outward signs of abuse. The school will therefore:

- Establish and maintain an environment where our students feel secure, are encouraged to talk, and are listened to.
- Ensure they know that there are adults in the school whom they can approach if they are worried.
- Include opportunities in the PSD and computing curriculum for students to develop the skills they need to recognise and stay safe from abuse, both on and offline.
- Be alert for signs of vulnerability and / or abuse and ensure concerns are reported in line with school and Safeguarding Sheffield children procedures and policies.
- Ensure all staff are aware of our students who are missing from education
- Respond promptly to reports of peer on peer abuse including sexual violence and sexual harassment and all incidents are dealt with sensitively and seriously and recorded using the schools safeguarding protocol.
