Having

a

test

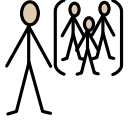

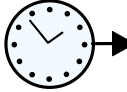

Social Story

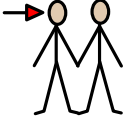

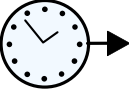

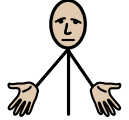

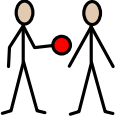

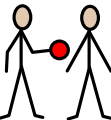

Bents

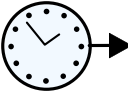

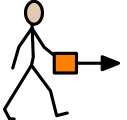

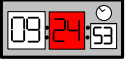

Green

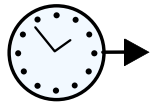

School

      
A staff member will carry out the test.

       
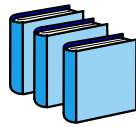

They will need to swab your throat and

   
your nose

      
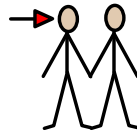

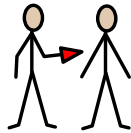

it will only take a few minutes

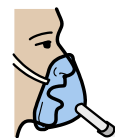

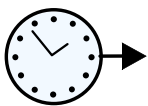

The test will be done in the Activity

suite

To keep you and them safe, staff

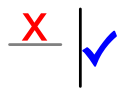

will be wearing an apron, mask and gloves.

# Throat swab

sit

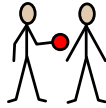

upright

and

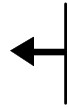

tilt

your

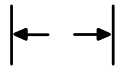

head

back

Open your mouth

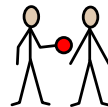

wide

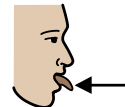

and

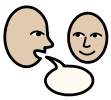

stick out

your

tongue

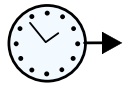

say

"ahhhh"

Staff

will

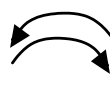

gently

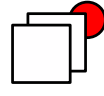

rub

a

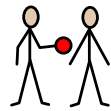

swap

at the back

of

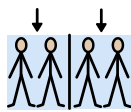

your

throat

on

both sides

It wont

hurt,

it

might

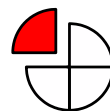

just

feel

a

bit

strange

# Nose Swab

Sit

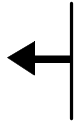

up

and

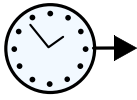

lean

back

Staff

will

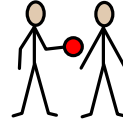

put

the swab

up

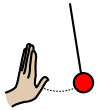

your

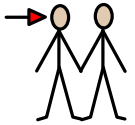

nose

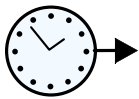

and

push gently

they

will

turn

the swab a

few

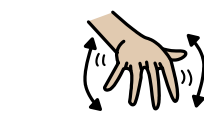

times

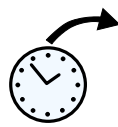

It wont

hurt,

it might

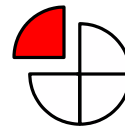

just

feel

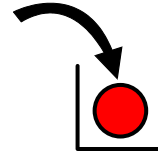

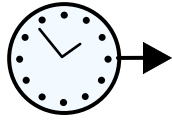

a

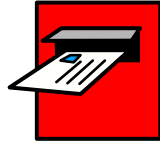

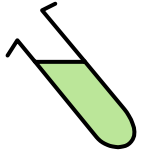

bit

strange

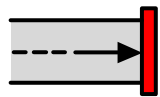

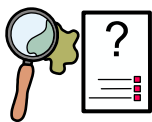

The swab will then be put into a

test tube and sent for testing.

You can go back to class now! well done!

The test is finished
