Dear Parent/Carer

Invitation to an online consultation on Monday 15 May at 4.30pm

As a part of your child's education at Bents Green School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme, known as Knowledge for Life. Knowledge for Life is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that your child will be participating in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. RSE lessons will include teaching about healthy relationships, including friendships and intimate relationships; families; growing and changing, including puberty; personal hygiene; changing feelings; becoming more independent; keeping safe and consent; developing self-esteem and confidence. Students will also have opportunities to ask questions that help prepare them for relationships of all kinds in the modern world. PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website: [Bents Green School RSHE](#) for more detail about our PSHE curriculum.

All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values. We would like to invite you to attend an online consultation on **Monday 15th May at 16.30 until 17.15** to find out more about our school policy; what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home. As a school community, we are committed to working in partnership with parents/carers; recent parental feedback has indicated that the overwhelming majority of parents/carers continue to be highly supportive of the relationships and sex education programme. If you would like to find out more or discuss any concerns, we would urge you to attend the online policy consultation and look forward to seeing you there.
